This letter is accompanied by two redacted spreadsheets labeled "Redacted – For Public Inspection" (the "Spreadsheets"), which contain responses to various portions of the Request. The first spreadsheet contains information relating to sites that SBA owns or leases. The second spreadsheet contains information relating to sites that SBA manages but does not own or lease.

In response to items included in Columns C and I of Attachment A of the Request, as discussed with Mr. Rabinovitz, the company states that it does not have such information readily available in its databases.

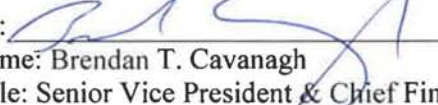

In response to items included in Columns V, AC, AD, AE, AF, AG, AH and AI, as discussed with Mr. Rabinovitz, the company states that the majority of SBA's towers can presently accommodate as a tenant at least one (1) additional mobile wireless services provider installing a standard array of broadband equipment.

Please contact me should you have any questions regarding this letter or any of the company's responses contained herein.
